FORMATION OF INSTITUTE COMMITTEE FOR PREVENTION OF ANTI-RAGGING COMMITTEE

The objective of anti-ragging measures is to prevent and eliminate the practice of ragging in educational institutions, particularly in colleges and universities. Ragging refers to a form of bullying, harassment, or initiation that involves verbal, physical, or psychological abuse of new students by their seniors. It can have serious consequences on the physical and mental well-being of the victims and may even lead to tragic outcomes.

The key objectives of anti-ragging initiatives are as follows:

1. **Creating a Safe Environment:** The primary objective is to ensure a safe and conducive learning environment for all students. Ragging can create fear and anxiety among new students, hampering their academic progress and overall experience. By implementing anti-ragging measures, institutions aim to provide a welcoming atmosphere where students can focus on their studies without fear of harassment.
2. **Protecting Human Rights:** Ragging infringes upon the fundamental human rights of students, such as the right to dignity, security, and freedom from discrimination and harassment. Anti-ragging measures aim to protect these rights and promote respect for every individual.
3. **Promoting Ethical Conduct:** Educational institutions strive to instill ethical values in their students. Ragging goes against the principles of respect, empathy, and kindness. By actively opposing ragging, institutions aim to promote ethical conduct among students.
4. **Preventing Mental and Physical Trauma:** Ragging incidents can lead to severe mental and physical trauma for the victims. The objective of anti-ragging initiatives is to prevent such trauma and to provide support and assistance to those who have been affected.
5. **Encouraging Reporting:** Anti-ragging measures are designed to create an atmosphere where students feel comfortable reporting any instances of ragging without fear of reprisals. Encouraging reporting helps identify and address incidents promptly.
6. **Legal Compliance:** In many countries, ragging is illegal, and educational institutions have a legal obligation to prevent such activities on their premises. Adhering to anti-ragging policies ensures that the institution complies with the law.
7. **Fostering a Positive Campus Culture:** Anti-ragging measures contribute to building a positive and inclusive campus culture. Students should be encouraged to help and support each other, fostering a sense of community and camaraderie.
8. **Promoting Discipline and Responsibility:** Implementing anti-ragging policies reinforces the importance of discipline and social responsibility among students. It sends a message that any form of harassment or abuse will not be tolerated.
9. **Creating Awareness:** Another objective of anti-ragging initiatives is to raise awareness among students, faculty, and staff about the harmful effects of ragging and the consequences of engaging in such activities.
